 Human Anatomy & Physiology I 4 credits
 Written English & Literary Studies I 3 credits
 Introduction to Psychology 3 credits

Year 1 – Fall Semester

Nursing 2 10 credits
 Human Anatomy & Physiology II 4 credits
 Written English & Literary Studies II 3 credits
 *Developmental Psychology 3 credits

Year 2 - Spring Semester

Nursing 3 9 credits
 *Microbiology 4 credits
 Nutrition 3 credits

Year 2 – Fall Semester

Nursing 4 10 credits
 *Introduction to Sociology 3 credits

***Some students may have to complete liberal arts and sciences requirements during the summer.**

It is advisable that as many liberal arts and sciences courses as possible are completed prior to entry to reduce workload.

DUAL ADMISSION (AD/BSN)

The Dual Admission Option provides a unique means to completing a Bachelor's Degree in Nursing. This 1+2+1 option requires year one at Mercy College, years two and three at Montefiore and year four (2-3 semesters) at Mercy College. Eligibility to take the RN Licensing Exam (NCLEX-RN) occurs after completion of year 3 at Montefiore.

Interested applicants must apply directly to Mercy College www.mercy.edu Select program code NUDH.

TRANSFER CREDIT POLICY

1. Submission of official transcripts from all post secondary (colleges) institutions and schools of nursing attended.
2. Submission of official High School transcript or high school equivalency (GED) report with scores and diploma. Applicants who possess a Bachelor's Degree will have their high school transcript waived.
3. Grades of 3 and above on high school Advanced Placement Examinations of the College Entrance Examination Board may earn up to 9 credits. The transferable Advanced Placement Exams are: English Language & Composition (6 credits) and Psychology (3 credits).
4. A cumulative GPA of 2.7 or better (Montefiore will internally calculate the GPA) is required based on the completed courses required for the nursing program. GPA will be recalculated prior to enrollment.
5. A minimum grade of C+ in all courses.

TRANSFERABLE COURSES

- Anatomy & Physiology I – 4 credits
- Anatomy & Physiology II – 4 credits
- General Microbiology – 4 credits
- Nutrition – 3 credits
- English Composition I – 3 credits
- English Composition II – 3 credits
- General Psychology – 3 credits
- Developmental Psychology – 3 credits
- Introduction to Sociology – 3 credits

Science courses (Anatomy and Physiology, Microbiology and Nutrition) must be taken within 5 years of admission. Anatomy and Physiology and Microbiology taken more than five years ago may be challenged by examination (www.excelsior.edu). Applicants must have achieved a grade of C+ or better to be eligible to take a challenge exam. Inability to achieve a satisfactory grade (B or better) on the first attempt to challenge will require the applicant to enroll in the course.

Humanities courses (English Composition I, English Composition II, General Psychology, Developmental Psychology and Intro to Sociology) will not be accepted for transfer credit if they were taken more than 20 years ago. Exception would be those applicants with a Baccalaureate degree in the subject area.

CREDITS BY EXAMINATION

Up to 9 liberal arts or sciences credits may be earned by examination through the College Board (CLEP)

www.collegeboard.com

The CLEP exams that will be considered are:

- College Composition
- Introductory Psychology
- Human Growth & Development
- Introductory Sociology

A score of 50 is the minimum score acceptable on the Introductory Psychology, Human Growth & Development and Introductory Sociology exams. 6 of the 9 credits can be earned on the College Composition exam, 3 credits will be awarded for a score of 50-74 for English Composition I (1st semester) and 3 credits will be awarded for English Composition II (2nd semester) with a score of 65 or higher.

Inability to achieve a satisfactory grade on the first attempt to challenge will require enrollment in the course. Examination results will not be used to calculate GPA.

Upon receipt of all application requirements, if required coursework is evident and GPA is 2.7 or higher (or when no college coursework is evident, final high school average 85 or higher) an invitation to take the entrance exam will be extended sent. A non-refundable \$50.00 test fee is required.

Kaplan Admission Test (Reading, Mathematics, Writing and Science). A one year waiting period between test attempts is required.

The suggested text for preparation: Nursing School Entrance Exams: Your Guide to Getting Into Nursing School (Kaplan Nursing School Entrance Exam) by Kaplan.

An invitation for retake will be offered at the discretion of the Admissions Committee based on space availability.

RE-APPLICATION

An applicant who has been rejected may reapply to the school once. A period of one year from the time of the initial application to the time of reapplication is required. A new application must be submitted with the appropriate fee. The admission policies and procedures in effect at the time of submission will apply.

Dismissed students may be eligible to re-apply after two years.

FINANCIAL AID

Federal tuition assistance Title IV funding is not available at this time, however loan and installment payment options are available.

TRANSFER CREDITS

A course for which transfer is requested must be:

Supported by an official transcript; a comparable course with a grade of C+ or better and have sufficient content within the required discipline and validated by a recognized agency such as World Education Services if taken in another country.

Evaluation of Transfer Credit

Prior to acceptance to the School of Nursing:

- The Admission-Recruiter reviews official transcripts for acceptable transfer credits.
- The applicant is informed of the courses that will be credited from outside institutions.
- The applicant is given the option to agree or disagree with the Admission-Recruiter's decision.
- If the candidate agrees, the transfer courses are entered on the Official Notification of Transfer Credit form.
- If the candidate disagrees and believes more course work should be credited, it is the candidate's responsibility to supply a course syllabus for the year the course was taken.
- The Admissions Committee will review the course syllabus.
- The candidate receives written notification of the decision by the Office of Admissions.

ADMISSION PROCEDURES

- An admission information session and testing will be scheduled after transcripts, validating documents and the reference has been received;
- Applications that meet the minimum admission standards are brought before the Admissions Committee;
- the applicant will be notified of the Admissions Committee's decision by letter; and
- upon receipt of an acceptance letter, the applicant must submit a non-refundable deposit by the deadline indicated which ensures a seat in the upcoming class.

ENROLLMENT PROCEDURES

- The \$200.00 deposit is credited to the first term tuition.
- Outstanding liberal arts or science courses may be taken at Mercy College or upon prior approval by the Registrar other accredited colleges. The student will be automatically enrolled at Mercy College as a part-time, non-matriculated student;
- Financial aid will not be available for students who choose to attend a college other than Mercy College;
- All students must have a computer and printer or external access to a computer and printer to receive emergency announcements. Internet accessibility is essential. All students must submit a valid email address to Student Services to facilitate communication with faculty and staff. Students are expected to possess basic computer literacy skills (including proficiency with Microsoft Office and electronic mail);

- The student must complete a health examination with screening tests and immunizations as required by the New York State Department of Health and affiliating agencies prior to registration; and
- Students are responsible to obtain BLS-C (CPR) training, subject to background check and drug testing, purchase uniforms, textbooks, and necessary supplies prior to the first day of class.

Students are not permitted to begin the clinical experience without background check, drug testing, health clearance and a current CPR card. A special form will be provided which must be completed before registration by the students' Primary Care Provider. This form requires health records, screening tests and immunizations. The completed form is submitted directly to the Occupational Health Nurse.

Accepted candidates can defer enrollment up to one year with payment of non-refundable deposits. If registration does not occur in one year and applicant decides to enter the school at a later date, a new application must be submitted with the appropriate fees. Admission criteria in effect at the time of enrollment will apply and prior acceptance does not guarantee the applicant's re-acceptance status.
